OF IRELAND
The Miscarriage Association

Remember you are not alone.

Nevertheless losing your baby can be a very lonely and frightening experience.

Miscarriage happens to 1-in-5 pregnancies.

The Miscarriage Association of Ireland has been providing, information, support and assistance to women and their families who have lost a baby (babies) through miscarriage for over 25 years.

*Dear Guest,
We hope you enjoy this special day.*

*We have made a donation to The Miscarriage Association of Ireland,
who support women and their families following the loss of a baby through
miscarriage.*
